## **Wanted** Krista Holly

With a mother that shipped her off to boarding school as fast as she could, feeling unwanted is nothing new to Lo. When she got a chance to convince her parents to let her move back home, she went from feeling unwanted to being wanted by every guy in school.

Chase has always looked forward to summer and seeing Lo. He's loved her devil-may-care attitude from the start. But when she moves back to town for good she's changed and no longer the carefree girl she once was.

When jealousy gets the best of some people, you never know what's going to happen, especially when they want something you have.

Would you let someone take away everything you've ever wanted?

\*\*17+ for sexual situations, cursing, and adult content. Although there are some YA themes, this is NOT a YA novel\*\*
