Emily Kimelman's best selling Sydney Rye series feature a strong female protagonist and her canine best friend, Blue. It is recommended for the 18+ who enjoy some violence, don't mind dirty language, and are up for a dash of sex. Not to mention an awesome mystery with tons of action that will keep you reading late into the night!

Recovering from a near fatal attack that has left her with residual trauma, including haunting dreams and flashbacks, Sydney Rye is regaining her strength at the jungle training camp of Joyful Justice, the vigilante network inspired by her now legendary acts of vengeance. However, when a routine reconnaissance mission goes horribly wrong Sydney Rye loses the trust of the leadership of Joyful Justice.

Her good friend and trainer, Merl, warns that if she wants to be in the action she'll have to follow orders like everyone else. Never good with authority, Sydney struggles to suppress her independent streak for the greater good.

When she runs up against an old adversary he blows apart everything she has gained. With her and Blue's lives at stake, as well as the future of Joyful Justice, Sydney must push aside her fears and take a leadership role before it's too late.
