Angels surround us everywhere, anywhere and always. They are helpers, messengers, guardians for the whole universe. When you need their help, just ask and they will hear you calling. Jade can't sleep. She tosses and turns but it's just no good - her mind and body are restless. However, when Michael, her older brother, tells her about dream angels, she falls blissfully asleep. She experiences the power of the angel kingdom and meets her own angel who shows her a world of fairies, elves, pixies and sprites. These magical creatures live together in harmony, nurturing the earth and protecting the universe. Seek and you shall find your angel.
