When it comes to thriving against illness, look no further than your own backyard. Nature has a way of knowing what we need, and generally we are never faced with problems that have no solution. In fact, solutions to numerous problems can often be found in just one simple place.

BOOK #4 PREVIEW

Natural remedies have not received the same amount of scientific testing lately that modern medicine has. But, on the positive side, it hasn't had to face the rigorous testing stages most people abhor, such as animal testing, beta testing on people, etc. One thing people don't realize though is that for most new medicines, we are the first round test subjects. They don't know what the long term effects will be.
