New Interchange is a multi-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The 128-page photocopyable Video Manual contains previewing, viewing, and post-viewing exercises. The follow-up tasks challenge teachers to think critically about their own teaching practices. Additional exercises focus on general methodology that enhances and expands the scope of the training program. The Video Manual provides training notes and self-study guidelines to facilitate both self-study and group use.
