What's Inside?

1.) The 50 songs listed above are included in structured format, clearly outlining where your chord is played within the song lyric by placing the actual chord name next to the song lyric itself, so you'll know exactly where to change chords while your singing along.

2.) You'll also know where each chorus begins and ends as well as the instrumentals and the outros.

3.) We also inform you of when a key change is made as well as whether or not the original recording artist used a capo, and if so, we tell you which fret to put it!

Quite possibly the coolest thing about this Country Music Lyrics & Chords book is that it clearly outlines what key the song is played in as well as whether the original artist used a capo or not. You'll also know where the intros are as well as the instrumentals and the bridges and outros are played.

Whether you are a seasoned guitarist or a beginner, this book is a handy little travel companion to take with you anywhere you could possibly get in the mood to do some picking and singing.

This book makes an awesome gift for anyone who plays guitar! So consider it for a birthday, anniversary or any other special occasion where the guitarist in your family could use a song book like this!

This is an excellent compilation of popular songs for girls to play on
