Rosetta Stone of the Human Soul - Part II Thomas 'Coach' Chenault

Pod'Lair is an Omni-Model, meaning it is a theory about everything. It is the culmination of my life's work making Natural Law observations, particularly regarding the human condition. It is also an ongoing research project that will extend throughout my life, continuing on afterward for as long as humans are still evolving. Pod'Lair, the name itself, is an imaginative wordplay that means, in the simplest terms, both 'Being One with the All' and 'Going Forward and Upward in Productive Harmony with Natural Law'.

The Rosetta Stone of the Human Soul is a collection of 10K of the most famous people in pop culture with their innate natures properly categorized (N to Z shown in this copy; A to M in 'Rosetta Stone of the Human Soul - Part I').
