The Secret Agent: A Simple Tale

Joseph Conrad

The Secret Agent: A Simple Tale Joseph Conrad

The Secret Agent: A Simple Tale was published in 1907. The story is set in London in 1886 and deals largely with the life of Mr. Verloc and his job as a spy. The Secret Agent is also notable as it is one of Conrad's later political novels, which move away from his typical tales of seafaring. The novel deals broadly with the notions of anarchism, espionage, and terrorism. It portrays anarchist or revolutionary groups before many of the social uprisings of the twentieth century. However, it also deals with exploitation, particularly with regard to Verloc's relationship with his brother-in-law Stevie.
