In these pages, journalist Marg Stark breaks the newlywed code of silence and exposes the profound adjustments brides often experience. Stark and 50 married women tell their stories--showing others how to handle turbulence on cloud nine--and reveal marital truths, such as:

- You don't feel like a "Mrs." Sometimes you even dream about old boyfriends.
- You write all the wedding gift thank-you notes. So you are doomed to your mother's life--60 years of doing more than your share?
- Making love is the last thing on your mind when you have the flu and haven't showered for days. But he still wants to.
- You tell him you got these incredible bargains and quietly resent having to justify your spending.
- You have shining moments when marriage feels absolutely right, but nevertheless you pine for something more.

Humorous and compassionate--with advice from marriage counselors, ministers, financial advisors, and sex therapists--*What No One Tells the Bride* is not only a practical guide for every newly married woman, it also makes the perfect wedding shower gifts.
