66 Best Life Lessons, Quotes And Secrets To Success By C.S. Lewis

In a changing world of divine belief and the onset of technology and scientific advancement the lines between God and Creators has become blurred. For many of us trying to find answers in our lives is a hard thing to do.

When we are young our parents take us to church, tell us to pray during dinner and even tell us that we will go to heaven or hell depending on our actions and inactions. The journey of discovery is one that we all need to take for ourselves but we don't have to take it along.

In this book we will focus on the life and sayings of one man. C. S. Lewis. Mr. Lewis was born in a religious home but at 15 stepped away from religion and God stating that he couldn't believe in something he couldn't see. From there he went on a spiritual quest to find himself and the answers that he sought.

In this book I will tell you about Mr. Lewis, his life and his passions.

From there we will explore 66 of his most famous sayings that can be found in his writings. I want you to go through all of these and apply them to your beliefs. At the end of this book I want you to make your own decisions and even if possible improve upon your life and way of thinking.
