Forget Me Never: Hell Yeah! Sable Hunter, Ryan O'Leary, Jess Hunter

Picking up where *Burning Love* left off, *Forget Me Never* continues the acclaimed *Hell Yeah! Cajun Style* series.

Some truly lucky people experience a love so great that nothing can separate them. Distance, misunderstandings or even death are not powerful enough to stop the longing and the hunger and the desire to be together. Patrick loves Savannah. He is a Marine who faces danger on a daily basis and his greatest fear is to be forgotten.

Savannah loves Patrick. Because of the circumstances of her birth, she has grown up never knowing what it is like to be touched or hugged or accepted by anyone. The haunting mists of Louisiana, the ravaging horrors of war, and the remnants of an ancient disease will try to pull them apart, until their destiny draws them together and they discover a love so perfect that it will last forever.

From reader reviews:

Gary Cornejo:

Information is provisions for people to get better life, information currently can get by anyone on everywhere. The information can be a know-how or any news even a problem. What people must be consider if those information which is from the former life are challenging to be find than now's taking seriously which one works to believe or which one the actual resource are convinced. If you obtain the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those possibilities will not happen within you if you take Forget Me Never: Hell Yeah! as your daily resource information.

James Peters:

Reading a book tends to be new life style in this era globalization. With examining you can get a lot of information that may give you benefit in your life. Using book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or even their experience. Not only situation that share in the ebooks. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on this planet always try to improve their talent in writing, they also doing some investigation before they write to the book. One of them is this Forget Me Never: Hell Yeah!.

David Manning:

People live in this new day time of lifestyle always attempt to and must have the spare time or they will get wide range of stress from both everyday life and work. So , if we ask do people have time, we will say absolutely sure. People is human not really a robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to a person of course your answer may unlimited right. Then do you ever try this one, reading guides. It can be your alternative throughout spending your spare time, the particular book you have read is Forget Me Never: Hell Yeah!.

Nancy Royals:

Your reading 6th sense will not betray you, why because this Forget Me Never: Hell Yeah! publication written by well-known writer whose to say well how to make book that may be understand by anyone who read the book. Written inside good manner for you, leaking every ideas and publishing skill only for eliminate your personal hunger then you still doubt Forget Me Never: Hell Yeah! as good book but not only by the cover but also by content. This is one book that can break don't ascertain book by its include, so do you still needing another sixth sense to pick this kind of!? Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.
