Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

#### **Kent Dennis:**

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Light Locomotives can make you truly feel more interested to read.
