## **The Reef** Di Morrissey

On a small coral cay on the Great Barrier Reef two communities come together in an uneasy alliance: a tourist resort and a scientific research station. At first glance, the island is a sexy resort, a naturalist's dream, a diver's delight. But the island holds secrets and dangers as Jennifer Towse soon discovers. When world-famous Isobel Belitas arrives, Jennifer learns to see the world - above and below the sea - very differently. Isobel also teaches her to come to terms with her obsessive mother, as well as her disintegrating marriage. But no one, not even investigative journalist Tony Adams, could have prepared Jennifer for the stunning revelations of what is really happening on this island paradise...
