Ardent Spirits: Leaving Home, Coming Back

Reynolds Price

Ardent Spirits: Leaving Home, Coming Back Reynolds Price

After two earlier autobiographical works—*Clear Pictures* and *A Whole New Life*—acclaimed writer Reynolds Price offers a full account of his life from the mid-1950s to the publication of his first novel in 1962.

Oxford University and Britain—which had scarcely recovered from the severe demands of World War II—were places of enormous vitality for Price, both academic and personal. From spotting J. R. R. Tolkien on the street in Oxford to intimate dinners with W. H. Auden and Stephen Spender, young Price was welcomed into the company of the most respected intellectual and artistic circles. Fully entrenched in the culture of his era, Price unflinchingly makes clear the connections between his experience and the great tradition of world literature.

In lucid and frequently witty prose, Price offers full access to six years in the early adulthood of a rich life—“a gallery of portraits and sexual discovery” (*The Weekly Standard*) and part of the great train of human accomplishment in which Price so ardently believed.
