Crimes of Privilege: Readings in White-Collar Crime (Readings in Crime and Punishment)

Crimes of Privilege: Readings in White-Collar Crime (Readings in Crime and Punishment)

Crimes of Privilege: Readings in White-Collar Crime examines the current state of knowledge about and debate over white-collar crime. One of the most challenging and controversial topics in sociology, white-collar crime differs fundamentally from street crime because those who commit it typically lead lives of privilege. Written by top scholars in the field, the thirty-one selections in this book include both previously published works as well as original papers. All have been significantly edited for readability and suitability for students. Organized by rational-choice theory, the readings examine the nature and sources of white-collar crime opportunities, the characteristics of white-collar offenders, white-collar criminal decision-making processes, and diverse approaches to controlling white-collar crime. *Crimes of Privilege: Readings in White-Collar Crime* also includes twenty-one panels chosen or prepared specifically to illustrate issues discussed in the readings. Taken primarily from local and regional newspapers or from exemplary studies of white-collar crime, some panels summarize key research on the topic while others show that a great deal of white-collar crime occurs close to home; white-collar crime is not a problem confined to Washington, D.C., to Wall Street, or to the world's largest corporations. *Crimes of Privilege: Readings in White-Collar Crime* provides students with a critical overview of issues and problems in white-collar crime. It is an essential text for undergraduate and graduate courses that focus on deviance, social problems, and white-collar crime.

The Enjoyable blend here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss that? Find this book and read it from right now!

Manuel Frazier:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring

and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Crimes of Privilege: Readings in White-Collar Crime (Readings in Crime and Punishment) can make you truly feel more interested to read.
