**At the dawn of Camelot, one young girl is about to take her place beside the greatest king in England's history.**

She is a mere child of twelve. But in these medieval days, this is the age when childish things must be put away and greater responsibilities accepted--all in preparation for a betrothal of marriage. For young Lady Guinevere, on the advent of her thirteenth Birth Day, the whole idea is quite unbearable. After all, what could be better than spending her youth playing with her best friend Cedwyn, roaming the grounds around the castle looking for mythical creatures or hunting rabbits? However, the wizard Merlyn--her teacher and friend--knows that destiny has a way of catching up with a person. His arrival sets in motion a series of events that will lead Guinevere to her destiny whether she is ready for it or not. One of the Quest Books.
