Three novels in one collector's edition volume! Three of best selling author Deb Stover's most-loved time travel romance novels are collected here for the first time in Time's Embrace. These classic romance stories are a tour de force adventure through love and history as only Deb Stover can create. Bonus: an original short story sequel to fan favorite Another Dawn is included along with all-new introductions telling the genesis of each story. The full length novels include: Almost An Angel, A Moment In Time, and Another Dawn. Another Dawn - A Time-Travel Romance Adventure Thrust into the past moments before his execution, Luke Nolan finds himself living a new life in the 19th century town of Redemption, Colorado. In love with a woman he dare not embrace, he runs from a future he cannot reconcile. Will love betray his secrets? Is there hope for the passion he feels for Sofie? Will she believe in his innocence? As the clock ticks, Luke discovers they are not alone. Haunted and hunted by the future, will their love survive to see Another Dawn? Almost An Angel - A Paranormal Time-Travel Romance Fate did Hilary Brown a favor by giving her one more chance. Can passion lead her to true love or has she lost her last hope of redemption? Love breathes life through her ghost of a muddled past into the joy of a new day when Zach Ryan walks into her afterlife. Can he be the key that leads to Heaven's gate? Or is he the temptation that will pave her path to Hell? A Moment In Time - A Time-Travel Western Romance Alone in a Rocky Mountain cabin, hairdresser Jackie Clarke wonders if a bad hair day can get any worse when smooth-talking lover "Blade" makes off with her car, her cash, and her dignity. Just when things can't possibly get any worse, they do. A blizzard strands her in an abandoned ghost town, then a blazing inferno and a lewd painting thrust her back to 1891, where she is mistaken for a famous saloon singer. When she lands in the arms of a miner with a heart of gold, her bad hair day may become a dream come true. Maybe... Don't miss the opportunity to have all three novels together in this collector's edition!
