Bullet Point Peter Abrahams

Wyatt never really thought much about his dad—a hardened criminal, a lifer in a prison somewhere on the other side of the state. But then the economy had to go and tank, and the community had to go and cut the baseball program from Wyatt's high school. And then the coach had to go and show Wyatt a photograph of his dad at sixteen, looking very much like Wyatt himself. Through a series of unfortunate—or perhaps they were fortunate—events, Wyatt meets a crazy-hot girl named Greer with a criminal dad of her own. A criminal dad who is, in fact, in jail with Wyatt's own criminal dad. Greer arranges a meeting, and Wyatt's dad is nothing like the guy he's imagined—he's suave, and smart, and funny, and cool, and—Wyatt's pretty sure—innocent. So Wyatt decides to help him out. A decision that may possibly be the worst he's ever made in his life.

This is another hold-your-breath thriller by the *New York Times* bestselling and Edgar Award nominated Peter Abrahams.

From reader reviews:

Elsie Fiala:

Why don't make it to be your habit? Right now, try to prepare your time to do the important work, like looking for your favorite book and reading a reserve. Beside you can solve your problem; you can add your knowledge by the book entitled Bullet Point. Try to the actual book Bullet Point as your friend. It means that it can for being your friend when you feel alone and beside that course make you smarter than before. Yeah, it is very fortunated in your case. The book makes you far more confidence because you can know almost everything by the book. So , we should make new experience and knowledge with this book.

Eva Sexton:

Here thing why this particular Bullet Point are different and reputable to be yours. First of all reading through a book is good but it depends in the content of computer which is the content is as yummy as food or not. Bullet Point giving you information deeper including different ways, you can find any guide out there but there is no reserve that similar with Bullet Point. It gives you thrill reading journey, its open up your current eyes about the thing which happened in the world which is might be can be happened around you. You can easily bring everywhere like in area, café, or even in your method home by train. When you are having difficulties in bringing the imprinted book maybe the form of Bullet Point in e-book can be your choice.

Danny Floyd:

Playing with family in a very park, coming to see the ocean world or hanging out with good friends is thing that usually you have done when you have spare time, subsequently why you don't try factor that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Bullet Point, you are able to enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout people. What? Still don't have it, oh come on its named reading friends.

Jacqueline Thompson:

This Bullet Point is great publication for you because the content which is full of information for you who always deal with world and still have to make decision every minute. That book reveal it facts accurately using great coordinate word or we can point out no rambling sentences inside. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but difficult core information with attractive delivering sentences. Having Bullet Point in your hand like having the world in your arm, info in it is not ridiculous a single. We can say that no guide that offer you world throughout ten or fifteen moment right but this reserve already do that. So , this is certainly good reading book. Heya Mr. and Mrs. hectic do you still doubt in which?
