Does God Make Radiators? Tim Lott

“Does God Make Radiators? and Other Questions from the Front Line of Fatherhood” is a collection of columns published in the Guardian since April 2012. Covering issues varying as widely as birthday parties, bereavements, the secrets of a happy marriage, guilt, children’s toys, adultery and cats, it is a primer for the modern puzzled parent. Witty, honest and controversial, Lott’s take on fatherhood is the ideal antidote to ‘perfect parenting’ handbooks.
