## **East Asia and the United States: An Encyclopedia of Relations Since 1784, N-Z** James I. Matray

In a series of in-depth essays, this book describes the United States' response to diplomatic, economic, military, political, and cultural developments in East Asia. While focusing particularly on China, Japan, Korea, and Vietnam, the encyclopedia also provides solid coverage of Burma, Cambodia, Indonesia, Laos, Malaysia, the Philippines, Thailand, and Taiwan. Written by distinguished scholars from nine countries, the entries cover all of the significant people, controversies, conflicts, and agreements of the past two centuries.

Individual entries, many of which were written by the acknowledged authority on the subject, reflect the most current thinking and up-to-date research, and include sources of additional information. The book includes:

- A chronology
- 17 maps
- A list of acronyms
- A personnel summary
- A selected bibliography

This encyclopedia will be useful to Asian specialists and students, as well as scholars in the broader fields of international history and foreign relations, making it an excellent resource for public and academic libraries.
