Economy and Society (2 Volume Set)

Max Weber

Economy and Society (2 Volume Set) Max Weber

Published posthumously in the early 1920's, Max Weber's *Economy and Society* has since become recognized as one of the greatest sociological treatises of the 20th century, as well as a foundational text of the modern sociological imagination.

The first strictly empirical comparison of social structures and normative orders conducted in world-historical depth, this two volume set of *Economy and Society*—now with new introductory material contextualizing Weber's work for 21st century audiences—looks at social action, religion, law, bureaucracy, charisma, the city, and the political community.

Meant as a broad introduction for an educated general public, in its own way *Economy and Society* is the most demanding textbook yet written by a sociologist. The precision of its definitions, the complexity of its typologies, and the wealth of its historical content make the work an important challenge to our sociological thought: for the advanced undergraduate who gropes for her sense of society, for the graduate student who must develop his own analytical skills, and for the scholar who must match wits with Weber.

From reader reviews:

Steven Zakrzewski:

As people who live in the particular modest era should be change about what going on or facts even knowledge to make these keep up with the era which is always change and move ahead. Some of you maybe can update themselves by studying books. It is a good choice for you personally but the problems coming to anyone is you don't know which one you should start with. This Economy and Society (2 Volume Set) is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

Catherine Riddle:

Information is provisions for anyone to get better life, information today can get by anyone on everywhere. The information can be a knowledge or any news even a concern. What people must be consider if those information which is inside former life are challenging to be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you have the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Economy and Society (2 Volume Set) as the daily resource information.

Minnie Rivera:

Beside this specific Economy and Society (2 Volume Set) in your phone, it could give you a way to get closer to the new knowledge or data. The information and the knowledge you might got here is fresh in the oven so don't be worry if you feel like an previous people live in narrow small town. It is good thing to have Economy and Society (2 Volume Set) because this book offers to you readable information. Do you occasionally have book but you do not get what it's exactly about. Oh come on, that will not happen if you have this in your hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss it? Find this book along with read it from right now!

Alfred Gates:

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Economy and Society (2 Volume Set) can make you experience more interested to read.
