Examcrackers 101 Passages in MCAT Verbal Reasoning David Orsay

The passages in this book have been designed to closely resemble official MCAT Verbal passages. From the type font to the subject matter to the number of words in each passage, question, and answer choice, these exams have the real MCAT feel. The questions in this book accurately duplicate the intended ambiguity that is the challenge of the actual MCAT. As is true of the official MCAT, you won't find the answers to these questions by hunting through the passages to find specific details. Instead, you'll need to understand the passages in their entirety, just as you will on official MCAT day. The explanations in this book provide a comprehensive breakdown of correct, and incorrect answer choices. If you want lots of practice with tough, accurate MCAT exams to boost your Verbal Reasoning score on MCAT day, this book is for you.
