Here are MORE must-know words from the early-learning sight word lists that come home from school with young students. This book sets the family on course with the easiest ways to help their student learn the words: The list, short, easy sentences with the words, games for learning them, and stories to read. These are the words that typically need the most practice.

This is a companion book for my book "Kid-Friendly Words Every Early Reader Must Learn: First 100 Words; Word List, Sentences, PLUS Easy Stories to Read". The book I am publishing here takes the more difficult words to learn and provides more practice in an easy format.
