Sophia: Within Jordana Lizama

Only time will tell if Sophia, Alec and the world are ready to accept the mission that has been passed down for many generations. This is more than a story of reincarnation. This is a story that never ended following the reign of the Greek gods. What has been hidden for thousands of years is about to surface in a small New England town. The impact on this rural village is ageless, but only the chosen time travelers know what is happening, the reason it is happening and how to control the outcome. The Men of Ages have walked the Earth unnoticed since the time of Greek mythology and have kept their ancient war alive by transporting the lead warrior in a most unusual time machine. There is only one way to stop the cataclysmic demise of the human race and Sophia is the answer. But, Sophia is a teenage girl faced with many human and nonhuman desires that create a tortuous path from antiquity to the present day. Love conquers all; or, so it seems.
