The Escort Ramona Gray

After years of living under the cruel thumb of her father, Julie Winslow is ready to take back her life and find her happily ever after. There's only one problem – she's a thirty year old virgin and embarrassed as hell about it.

When her best friend suggests hiring an escort to not only help rid her of her pesky virginity but teach her some moves in bed, Julie swallows her pride and calls an escort agency. She books a date with the sexy and gorgeous Cal.

Court Thomas has been saving his identical twin brother's butt for years. When Cal calls, begging him to take his place with his latest 'date', Court reluctantly agrees. Unprepared for his immediate attraction to the beautiful but fragile woman, he's rocked by Julie's request for him to take her virginity.

Determined to change her mind, he continues to impersonate his brother. But when Julie's warm kisses trigger a desire he's never experienced before, will he convince her to wait for 'Mr. Right' or take the sweet gift she's offering?

Author's note: This is a novella of 35,000 words. It contains explicit and steamy sex scenes that may not be your cup of tea. It is intended for mature readers only.

From reader reviews:

Armando Ceballos:

Why don't make it to become your habit? Right now, try to ready your time to do the important take action, like looking for your favorite publication and reading a guide. Beside you can solve your problem; you can add your knowledge by the e-book entitled The Escort. Try to make the book The Escort as your good friend. It means that it can being your friend when you truly feel alone and beside that of course make you smarter than ever. Yeah, it is very fortunated for you. The book makes you considerably more confidence because you can know every thing by the book. So , let's make new experience and knowledge with this book.

Sheree Gonzalez:

As people who live in typically the modest era should be update about what going on or facts even knowledge to make these keep up with the era and that is always change and move ahead. Some of you maybe can update themselves by studying books. It is a good choice for you personally but the problems coming to anyone is you don't know which one you should start with. This The Escort is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Perla Baxter:

Nowadays reading books become more and more than want or need but also be a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book this improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want have more knowledge just go with education and learning books but if you want experience happy read one having theme for entertaining for instance comic or novel. The particular The Escort is kind of e-book which is giving the reader unstable experience.

Janice Wilson:

The reason why? Because this The Escort is an unordinary book that the inside of the book waiting for you to snap the item but latter it will jolt you with the secret the idea inside. Reading this book close to it was fantastic author who also write the book in such wonderful way makes the content interior easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This unique book will give you a lot of gains than the other book get such as help improving your ability and your critical thinking technique. So , still want to hold up having that book? If I had been you I will go to the reserve store hurriedly.
