Three women from different eras—the nineteenth century, mid-twentieth century, and late twentieth century—lead disturbingly parallel lives. All are a bit kinky, all have strange powers they can't explain or control, and all put themselves in harm's way through their attraction to dangerous men. What is their connection to one another? Can they discover who they are in time to save themselves from a nightmarish fate?

Interweaving Celtic myth with a compelling mystery, *The Morrigan* will draw you into the lives of its memorable characters, inviting you to piece the puzzle together as the story moves toward its explosive climax.
