The Thin Line Between Love and Hate MICHELLE O'CONNOR

Many times we are at a lost when we see acts of hatred. There are times when we stop to wonder where it ever came from, other times we just think that people were born hateful but I believe that hate is a choice. It is within all of us to love all man and be at peace with all as much as it is possible but there comes a point a line when our experiences forces us to make a choice between love and hate. I have seen many people cross the thin line from love to hate and I have seen the destruction. I hope you will find your self with enough love that you will never cross the line.
