Years ago, a dragon named Ion nearly killed Zilpha's father. Everything Zilpha has heard about Ion says he is cunning, deceptive, and never to be trusted.

When Zilpha meets Ion, she learns there is far more to his story than anyone realizes. He knows things about dragon history and dragon powers that no one in her family knows. In fact, because of his unique background, Ion may be able to help them in ways no one else can.

But if Ion is going to earn the Melikov family's trust and approval, he must battle enemies no one else has ever defeated—enemies both outside...and within.
