## Metro-Land: British Empire Exhibition 1924 Edition

*Metro-Land* was published annually from 1915 until 1932 and featured evocative descriptions and photographs of historic villages and rural vistas of the area north west of London, Middlesex, Hertfordshire, and Buckinghamshire served by the Metropolitan Railway. Not only was it a guidebook designed to promote the area for leisure excursion travel from London but it was packed with facts for the commuter about the cost of season tickets, journey times, and also with numerous advertisements for all the new housing developments springing up during the 20's. This 1924 edition of *Metro-Land* was published just as the property and leisure boom was under way and also had the extra purpose of promoting The British Empire Exhibition of 1924/25 at Wembley.
