**Book Three in the Hashtag series!**

Players gotta play.

Hate is like a poison. It contaminates everything.

So does doubt.

Even though I deny what I overheard, even though I insist it isn't true, the seed of doubt has been planted. I can't help but be tormented with the endless what-if's that have taken over our lives.

Romeo and I were happy in love. The future stretched before us brighter than any star in the darkest sky. Now everything is broken. Literally broken. Romeo's entire career is at stake, my entire future is threatened... and my past?

It's coming back to haunt me.

To haunt us.

Romeo says we're in this together and right now the only sure thing is us. But how far can a love so new be pushed? The lengths we will have to go to save each other puts everything at risk.

Romeo is a #player but how much of the game can one person play?
