Preparing Teachers to Teach Writing Using Technology Kristine E. Pytash

Technology is changing not only how people write, but also how they learn to write. These profound changes require teachers to reconsider their pedagogical practices in the teaching of writing. This book shares instructional approaches from experienced teacher educators in the areas of writing, teacher education, and technology. Chapters explore teachers' personal experiences with writing and writing instruction, effective pedagogical practices in methods writing courses, and professional development opportunities that effectively integrate technology into the writing classroom and contribute to students' growth as writers and users of technology. This collected volume provides an up-to-date understanding of how teachers are prepared to teach writing using technology.
