Whatcha Gonna Do With a Cowboy? Jennifer Bennett

"I couldn't have... I wouldn't have... I'd never..." Kate O'Hara knew exactly where she was going. She had a good job, good friends and – aside from her recent nasty break-up – a good life relatively free of drama. That is, until she woke up in bed with a handsome cowboy named Dusty Miller... And discovered she was married to him! Try as she might to get away, Dusty's touch kept her wanting more. Maybe being married to a complete stranger wasn't as bad as she thought; especially when that stranger knew how to start a fire in her body like no one else. But when reality sets in – complete with ex drama and career problems – does the marriage of two people who never knew each other really stand a chance?
