Where the Heart Is Elizabeth Lowell

Safe

After the pain of betrayal and divorce—after years spent decorating other people's houses—Shelley Wilde's cherished dream has finally come true: a home all her own, where she can live happily, secure. . .and alone.

Wild

But Cam Remington has come to shatter her solitude. A traveler who has journeyed to the world's wildest places, a renegade with no roots and no shame, he is everything Shelley has ever feared-and desired-in a man.

Free

An intruder has broken through Shelley's barricades to lure her wounded spirit out of hiding with his electric sensuality. And it will take a traveling man to show her that real love is risk and danger. . .and that home is the haven found in a lover's embrace.

A captivating contemporary love story in *Where the Heart Is*, bestselling author Elizabeth Lowell revisits and expands upon *Traveling Man*, one of her most beloved classic novels. It is an unforgettable tale that brims with the passion and magnificent artistry that have become her trademarks.
