Book One, Taming Blaze:

A chance encounter would ignite a spark. Fate would fan the flame.

Dani doesn't believe in love. She knows that love only leads to heartache, like the murder of her mother when she was just fourteen. Besides, dating is tough when your dad is one of the most powerful crime bosses on the West Coast.

So instead of relationships, Dani believes in one night stands. But when a casual fling goes frighteningly wrong, she runs home to the only person she knows will protect her - her father.

She doesn't make it. Dani's stranded on the side of the road with no one to help her. Except Blaze.

Blaze has been through hell and back. Raised by his junkie mom, the Inferno MC is the only real family he's ever known. As their jaded Vice President, he'd do anything to protect the club.

When fate throws them together, sparks fly. Their attraction is undeniable, but can this jaded and broken pair find happiness? Or will Dani's family secrets tear everything down, including the MC?

Book Two, Saving Axe:

Sometimes you have to lose everything to find the one person who can save you.

Ex-Marine Corps sniper Axe turned his back on everything he loved when he became the Sergeant-at-Arms for the Inferno MC. The fallen hero was determined to drown out the ghosts of war with an unrelenting path of self-destruction. He had no plans to set foot in his hometown of West Bend, Colorado ever again.

Until the Inferno MC betrayed him. Now, there's nowhere left for him to run, except back to his father's ranch. Where he would come face to face with her.

June Barton.

The Navy surgeon was his first love, but now she's all grown up. She gave up her scalpel to return home, tired of losing her patients to war. All she wants is peace and quiet, but when Axe shows up, he turns everything upside down.

Can two broken and damaged people get a second chance at happiness? And when the Inferno MC commits the ultimate betrayal, will Axe's need for vengeance destroy his soul - or could June be his salvation?

Book Three, Breaking Hammer:

He would break down any walls; take down his enemies; and search to the ends of the earth to find her.

Two years after an unspeakable betrayal by his MC, Joe "Hammer" Holder is fighting his demons, both inside and outside of the cage. He swore he would never fall in love again.

Until Meia.

But Meia belongs to another man - one with unlimited political connections and power, who ensures her loyalty by holding someone she loves in his grasp.

Love is not part of Meia's destiny.

Until Hammer.

Can love blossom in the midst of unspeakable pain and loss? And when Meia disappears without a trace, will Hammer's love be enough to help her survive?
