## Leadership: Understanding the Dynamics of Power and Influence in Organizations, Second Edition

Today, there are a growing number of business schools, law schools, and continuing education programs in executive development and management training that offer leadership classes. Despite the growing curricular recognition of this area, there is a shortage of strong college-level texts. *Leadership*, second edition—a completely up-to-date anthology of key writings by well-known contributors—meets this need for a textbook that encompasses the major theories in the field of leadership.
