Seven Deadly Sins: Settling the Argument Between Born Bad and Damaged Good Corey Taylor

For the first time, Slipknot and Stone Sour frontman Corey Taylor speaks directly to his fans and shares his worldview about life as a sinner. And Taylor knows how to sin. As a small-town hero in the early '90s, he threw himself into a hard-drinking, fierce-loving, live-for-the-moment life; when his music exploded, he found himself rich, wanted, and on the road. But soon his extreme lifestyle led him to question what it means to sin and whether it could—or should—be cast in a different light. After all, if sin makes us human how wrong can it be?

Now updated with a new Afterword by the author, *Seven Deadly Sins* is a brutally honest look “at a life that could have gone horribly wrong at any turn,” and the soul-searching and self-discovery it took to set it right.
