## **Flickers** Kathryn Jordan

*Set in the dynamic years leading up to the Roaring Twenties, Flickers turns its lens on California's glamorous silent film era, as Victorian civilities are swept away by a bold new century . . .*

Violet Winters is the daughter of one of California's wealthy robber barons. Jack Sutter is the gardener's son. In their youth, the two were inseparable. But in 1913 everything is changing, and despite their feelings for each other, adulthood has come between them. Their vastly different social positions leads Violet to marry the aloof but socially perfect Maury Rediston. Jack vows to win Violet back while carving out a new life for himself in the burgeoning motion picture industry. Tip Rediston, Violet's brother-in-law, also gets drawn into the bohemian world of the flickers. As handsome as he is troubled, Tip starts his climb to stardom despite his family's disapproval.

But as social changes, political upheaval, and war change the world around them, Violet, Jack, and Tip learn that things are never as easy as they seem on the silver screen. . .
