Fundamental Accounting Principles with Connect Plus Access Card John Wild, Ken Shaw, Barbara Chiappetta

Enhancements in technology have changed how we live and learn. Working with learning resources across devices, whether smartphones, tablets, or laptop computers, empowers students to drive their own learning by putting increasingly intelligent technology into their hands. Whether the goal is to become an accountant, a businessperson, or simply an informed consumer of accounting information, Fundamental Accounting Principles has helped generations of students succeed. And now, it includes the Access Card Connect Plus to enhance the learning of students in creative and meaningful ways. This book presents leading-edge accounting content, paired with state-of-the-art technology, supports student learning and elevates understanding of key accounting principles. Fundamental Accounting Principles also delivers innovative technology to help student performance. Our system for completing exercise and problem material takes accounting content to the next level, delivering assessment material in a more intuitive, less restrictive format that adapts to the needs of today's students.
