"House Doctor", presented by straight-talking Californian property stylist Ann Maurice, has become compulsive viewing in the UK. Ann gives practical, inexpensive advice on how to present any type of home to the market in its best possible light, and clinch that all-important sale. The focus of this book is not on dramatic or extreme makeovers, but on styling the home you have to maximum advantage, and without spending a fortune. While aimed primarily at people wishing to sell their home, the book also provides plenty of ideas for people looking to smarten up their property, both inside and out, and then enjoy the results themselves. In fact, as participants in the programme have found, by following Ann's advice their living space is so improved that they can't bear the thought of some else getting the benefit!
