It wasn't just trouble that came in threes... Despite her amnesia, Tracey can't forget one thing--the devastating secret that forced her to run out on Julien Chappelle four days after their honeymoon. She wants a divorce. Julien wants his wife back. And he's prepared to fight for her: he'll agree to a divorce if Tracey will live with him for thirty days ... and nights! But what Tracey hasn't counted on is that Julien has more than just memories on his side. A set of adorable triplets who need their mom to come home. It seems Tracey has only one motive for leaving and three compelling reasons why she should stay.... BABY BOOM: Two's company... five's a family!
