How long could you go while on ecstasy?

Brian is known for being an easy lay, get a pill down him and he'll slide into anyone in sight. Get him going on the right night, with the right stranger, and watch as he stretches and gets stretched over and over. This clubber could care less about protection, he's all about the thrill and just wants to pump and thrust until he's completely spent. In a private room, or in the middle of the dance floor, it makes no difference. Maybe he'll even end up taking multiples at once. Give him a hard d**k or a tight hole and watch what he can do.
