They aren't from here. But they come here. Often.

I am having a terrible, horrible, very bad day. I wake up in a bath tub, get financially cut off, and break up with my boyfriend. It's not even 9 AM yet.

Two gorgeous aliens offer me an incredible deal, which will solve all of my financial problems. I say yes. Suddenly, I am in a spaceship heading for their home planet.

Note: This novelette contains some scorching hot sex (mm, yeah, baby!). If you don't like steamy stories, you might want to skip this one. However, if you love multiple partners, **curvy girls**, and aliens, this is the book for you. Enjoy!
