**** This disc is for Computer Use Only ****

Pot holders add color and style to your kitchen and are an essential need near every stove and oven. It is easier than you might think to make your own knitted and crocheted pot holders with our wonderful design books. These patterns are fun to make and great gifts to give. Be sure to replace pot holders regularly to prevent the possibility of burns on your counters or fingers, and always have a few spares on hand now that they are easy to make!

Pot holders are an item that many of us take for granted in the kitchen, at least until we cannot find one. They are essential when removing hot items from the stove or oven and can be used to protect counters and table surfaces from hot cookware. While some pot holders are largely decorative, most are made to protective us from the heat. Felted wool or other natural materials can work very well to protect hands or tables as well.

Some of the most unusual and charming pot holders date from the 1950s. Many of these were crocheted in a variety of novel shapes, including fruit, flowers and more. That is why this collection of vintage pattern books is perfect for old pros and beginners alike! A must have for any collection and can now be yours to print out at your fingertips.
