"The world, it seemed, had gone silent. It was something we knew but did not talk about. We were alone."

While Layla Petrovich returns home to rural Hamletville after a desperate call from her psychic grandmother, she never could have anticipated the horror of what Grandma Petrovich has foreseen. The residents of Hamletville will need Layla's cool head, fast blade and itchy trigger finger to survive the undead apocalypse that's upon them. But even that may not be enough. With mankind silenced, it soon becomes apparent that we were never alone. As the beings living on the fringe seek power, Layla must find a way to protect the ones she loves or all humanity may be lost.

Join Layla as she fights for survival in the first book of this unique zombie apocalypse tale. It's all fun and games until someone ends up undead!
