Darkness Visible: Awakening Spiritual Light through Darkness Meditation Ross Heaven, Simon Buxton

The first book to examine the spiritual and therapeutic practice of retreat in physical darkness to explore inner light

- Shows how experiencing complete darkness over prolonged periods helps in developing mental clarity and creativity
- Draws upon many indigenous and spiritual traditions that use this technique

The use of ceremonial darkness is a classic and cross-cultural method for exploring hidden aspects of unconscious and super-conscious states, accessing invisible landscapes, and embracing the deeper recesses of the self. In *Darkness Visible* Heaven and Buxton examine the spiritual and therapeutic practice of taking retreat in physical darkness.

For millennia mystics and sages have used darkness as a spiritual tool for breaking with their pasts, prior conditioning, and the limited reality of their societies. Spiritual seekers from many traditions--Celtic, Eastern, indigenous North and South American, Tibetan, and African--have used darkness as a tool for spiritual enlightenment. Heaven and Buxton show how experiencing complete darkness, even for only a period of hours, brings about a remarkable clarity and mental stillness and thus provides a springboard for creativity, intuition, and spiritual development. They include exercises that explore lucid levels of dream consciousness, drawing both from their experience as teachers of this method and from the many cultures that include this practice in their spiritual traditions. *Darkness Visible* shows how deprivation of sight can truly teach us to see.

Keri Lo:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we

know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Darkness Visible: Awakening Spiritual Light through Darkness Meditation can make you truly feel more interested to read.
