Operation Orient Express (Top Secret Espionage Game, Module TS005) David Cook

In this module, the players are sent to evaluate a new method of running operations - using the interlinking system of trains throughout Europe and the Balkans. The module includes 6 major on-train operations to test the abilities of your players. The module comes with a 32 page operations file, a large scale full color map of train targets, a map of the European train system, and 24 cut-out cardboard agent figures.
