## **The Great Prince Shan & The Evil Shepherd. (Timeless Wisdom Collection Book 1367) E.PHILLIPS OPPENHEIM**

This volume contains two great novels by Edward Phillips Oppenheim, the prolific English novelist who was in his lifetime a major and successful writer of genre fiction including thrillers and spy novels, and who wrote over a 100 of them. He was the self-styled "prince of storytellers.", generally regarded as the earliest writer of spy fiction as we know it today, and invented the 'Rogue Male' school of adventure thrillers. His plotting is as smooth as silk, with the virtue of creating believable characters of genuine sophistication and wit.

In The Evil Shepherd an intelligent man stumbles into a love affair with a girl, the father of whom presents a mystery... A tale of debauchery and crime-for-thrills amongst the English aristocracy, cocktails in hand! A quite brilliant novel which is rather better than the usual pulp mystery/detective fiction from this period, that has been loved by readers and the critics.

The Great Prince Shan is an interesting a pre-WWII novel, who predicts the direction of world politics, from the dramatic point of view. Giant airships (zeppelins?) were the wave of the future! China, Russia and Germany, secretly allied against England and America... A pair of attractive Brits as our only hope against evil Germany...
