One of the greatest unsolved mysteries of all time! So, whatever happened to the Zodiac Killer who haunted the San Francisco Bay Area from 1968 to the night of **his sudden disappearance in 1978**? He cleverly manipulated and taunted the emotions of the public through the newspapers, **and mocked and scorned the police** he called "The Keystone Cops" and the "Blue Meanies." He egotistically announced, **"You will never capture me!"** It seemed that he was right. The Zodiac always had the "Phantom advantage" in every circumstance, and escaped. He was definitely **one of the most demonic individuals on earth**, as he spoke often in his letters to the public and the police about "the monster within me . . . **I cannot stop!**" One night a couple who had just gotten out of a late night church service suddenly encountered him. They ultimately **wound up getting into a high speed chase with him**. When it was between him and this couple, and ultimately their family, a supernatural occurrence happened! **Based on a true story and actual events!**
