Base Nature Sommer Marsden

Base Nature Sommer Marsden When Garrett Gustafson breaks from his pack, it's all about distance. He doesn't expect to meet a long-tortured woman or someone he wants so bad his teeth damn near ache. He most definitely doesn't expect to meet a woman he'd even consider changing. Changing is frowned upon and dangerous. But Liv McCoy not only captures his heart, she tempts him. Tempts him to take her, to change her and even to love her. Liv McCoy has been the weak one all her life. All she wants is a little power. When Garrett shows up she feels an unspeakable pull. Not just to give herself over to him in bed, but to offer all of herself—heart, body and soul. Garrett can give her power. She just needs to convince him that she can handle the change. And his love.
