A quarter century ago, the *Seawitch* cruised away from her dock and disappeared with everyone on board. Now the boat has mysteriously returned to her old berth in Seattle and the insurance company has hired Harper to find out what happened—but she's not the only one investigating.

As Solis focuses on the possible murder of a passenger's wife, Harper's investigation leads her to a powerful being who may be responsible for the *Seawitch*'s disappearance. While their searches lead Harper and Solis in different directions, they will need to put aside their differences to solve a mystery twenty-five years in the making....
